This football team showed a lot of maturity and character as they went through a disappointing season. Even though the losses outnumbered the wins, these fellows showed me something that will mean they will be adults of which we can be proud.

Although the Trojans finished in the second division of the Rum River Conference, the closeness of the games they played indicates a much better season could have been. Many games were very hotly contested and had a few more shots dropped, the frustration of the season would have been much less.

Row 1 L to R: Joe Charles, Jim Danielson, Steve Block, Dean Garell, Scott Drewlo, Jon Nickelson, Bill Egger, Pete Stene. Row 2: Coach Orwell, Rich Meyers, Kevin Engstrom, Tim Eastman, Greg Dols, Scott Schantzen, Steve Marcio, Lenny Koch, Bob Kane, Tony Eastman, Eric Engstrom, Coach Skrypek.

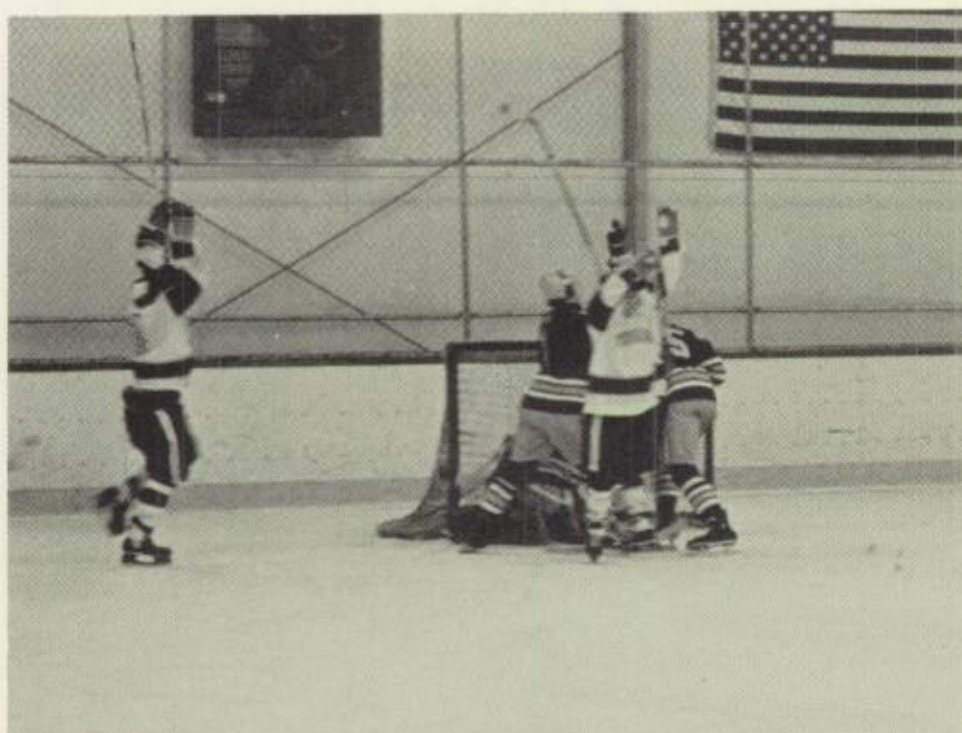

This year's edition of Trojan Hockey suffered through a dismal 3-18 season. Victories over Brady and Minneapolis North and Central were the only wins the team could muster. The Trojans lacked scoring punch and depth throughout the season. Tony Eastman was high scorer and was named to the Don Bosco All-Conference team for 1978-1979 season.

The 1979 Declam season saw some long hours of practice and some long, long bus rides. We traveled as far south as St. Peter and as far north as Duluth.

We did not hit the peaks of years past; however, we still managed to bring home some trophies.

We are proud of our performance at the Rum River Conference Speech Meet. Besides capturing the third place team trophy, nine team members were cited for special recognition. Jay Schrader, Sue Hanson, and Tim Matson all earned first place individual trophies. Daryl Fryxell captured a second place trophy. Rich Meyer, Randy Fuller, and Ray Pliscott took third place medals, while John Rydning and Dan Chouinard took fourth and fifth places respectively.

We hosted the Sub-Region 7AA Speech Meet. Peggy Armstrong and Pam Alsen will never forget the long hours of typing to organize that event. Again, we took the third place team trophy and a record number of 22 members of our team were advanced to the Region 7AA contest in Duluth.

At Duluth we did not earn any State berths; however, seven of our speakers advanced to final rounds and that is quite an accomplishment. These speakers were: Randy Fuller, Dan Chouinard, Sue Hanson, Rick Meyer, Tim Matson, Scott Thompson, and Danette Kowal. Scott Thompson was then chosen as a second alternate for State.

We are proud of our record and we look forward to the 1980 season.

Coach's Comments: We started out the year with a 5 game losing streak but changed it around to a 5 game winning streak behind the pitching of Linda Habel. New team members added depth to the squad and returning lettermen proved invaluable with their offensive and defensive experience.

Coach's Comment: This year's baseball team finished with a 3 - 11 record for the year. However, the team was competitive in all three of those games. In fact, there were a number of one and two run games which the team lost. Next year the Trojans are looking forward to the return of their entire infield led by Steve Marcio and All-Conference catcher Eddie Howell.

Row 3: Joe Chouinard, Clay Haman, Mike LeVasseur, Kevin Munsen, Ed Schmidt. Row 4: Coach Hennessey, Coach Berchin

Coach's Comments: This was a year in which the team did not have a lot of success in terms of winning meets. However, many individuals made improvements in their particular events. In numbers the squad was sophomore dominated. Mike LeVasseur and Mike Hoefler were our top two individual performers. Both qualified to participate in the State meet.

The girls track team finished a very successful season taking first places in 7 of our 10 meets. Twelve girls advanced to regions and Julie Lochner to state, taking 4th place in the high jump. It's been a fun season. We'll miss our seniors, Lori L. and Beret H., but watch for a powerful team coming back next year.

MEMORIES

The memories of all of you are in my mind,
the hurt will still remain,
These tears of heaven in the sky come falling
down like rain;
There were so many I hadn't done,
But the things I did I don't regret, because we
made them fun;
No one lasts forever this I know is true,
But my mind is full of memories that will
always lead to you;
Now I must go, but it won't be a long wait
I'll be there to meet you at those pearly gates!

"Love Is Our Life"

Love is living,
Love is our life.
Love is giving,
We must give ourselves to each other.
Love is sharing,
Love is to share the things we
Cherish most.
Love is losing,
Love is losing things, sacrificing
Other things to save our love we
Cherish so much.
Love is losing some things we love
And don't want to see go.
Love is our life,
We only live our life once, so live
And so be yourself.
